He had several times before he
would like to write him (DMLK) &

I left & went back to California
to mom. I never saw J & K
in person again after that.

about 2 or 3 weeks after &
came back from Memphis &
King killed the BR occurred,
to raise money for King's lawyers.
Jim still lives @ Memphis &
I at California.

the night after BR
Jim came to mom's house,
he had a Green/Green Charger fairly
new car with white trim,
I went out to car & immediately
scattered in car. He suffered
no rest in Memphis with
~~cars~~ other involved in BR &
split money. Jim wanted me
to split to Portland with
him. I said no.

had he didn't see how much he had,
looked like 4 or 5 bags of money.

Jerry Ray got caught several hours
after the BR. I saw when Jerry
Ray got arrested on TV & I've
seen him on TV several times
about JFK. For sure it was
the same Jerry Ray.

Jim went to Portland &
started working in a Bar & got
killed. He was shot in Bar
on 11/28/71. He was out
there several months before he
got killed.

The day Jim killed
I talked to an FBI
agent named Dete @
FBI office in IL. He
told me about death.

The E reference barn at Arsenal -
Jerry Ray owned that before death of King
on BR.

After King killed + before BR
Jerry sold ~~Ray~~ Bar to Jim Bennett +
~~me~~ I. He wanted to put it in
my name. But I was only 17 so
we used his + my name, he
operated the bar 6 or 8 months
+ then Jim sold it,
(Correct)

* actually it was before
King killed that Jim + I
bought bar. After King
killed while we were
separate Jim sold Bar
to raise money for ^{JE} Ray's
Lawyers.

(contrasted with note:
King killed after daughter
Janice born - can't be
he was playing with Janice on
floor at Memphis sometime
wrong but it was Janice was
there when King played with her

a floor in Memphis with before my
slot & gave [redacted] she was born.

~~and it could have been Jerry~~

I " absolutely sure I heard my
in Memphis soon the should be written
the night before ~~my~~ the slot, I sure
on that high gave them also

I think the Jim A. Perry
my mother & several other BR +
Serious State has in SL → the
what Jim told. Can't recall specifics
of the time
